My False Prophets Of Worldliness In The Church

“Many are My false prophets, My son. They view it as an occupation, making money off the people. I will judge them, My son, and place them in Hell forever. They refused to use their gift for Me, but for self, being filled full of selfishness, My son. They use it for accumulation of the things of the world, and never gave it all away as I require. Indeed they want more of the world with hearts full of covetousness, My son. They never gave it all away to My poor to serve Me the way I require. It is in My Word. They never dealt with the sin of covetousness in their hearts, but used it to accumulate more for self. Indeed they never died to self- that is what I require. My false prophets of the world are many, never having given away all to serve Me. I Am the Living Son of God. I had nothing in Israel when I was there, except what I wore, My son. I existed on the kindness of others, and what plants provided. I wandered the land, being homeless, Me

and My disciples. That is what I require, to be an itinerant minister, wandering the land, subsisting on the kindness of others. Few will do My will My way, making themselves homeless in the land with nothing in their hand, no possessions to carry along. That is what I require, My son, the homeless Christ going where I may, ministering to My lost Israelites, the poor and needy, the demon afflicted. My son, My prophets refuse to do that. They want self, and the accumulation that false ministry provides them. They will not obey Me to go to the lost and needy, but must stay in churches, conference centers where the moneyed of My people pays them handsomely for their false ministry- aggrandizement of self. Indeed all is for self- they refuse to obey Me in giving away all to be an itinerant minister as I was but must have more for self. That they refuse to obey, to give away all to be like Me, My son. That is the mark of a false prophet- the accumulation of more for self, not less. Do not listen to them- they were rejected by Me, being full of self, worldliness of all kinds, refusing to give away all for Me, My son. Indeed that's what makes them false- their love of the world, My son. Your LORD has spoken. Amen and amen."
